## Accreditation

"The process of formal evaluation of an educational program, institution, or system against defined standards by an external body for the purposes of quality assurance and enhancement."

(Frank et al., 2020)

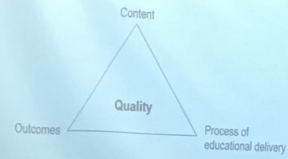

# Accreditation

"The process of formal evaluation of an educational program, institution, or system against defined standards by an external body for the purposes of **quality assurance** and enhancement."

(Frank et al., 2020)

(Lindgren et al., 2011)

**Quality control**  
A retrospective evaluation to ensure the end-product meets requirements

**Quality assurance**  
A prospective evaluation to ensure the product being developed meets requirements

(Joshi, 2012)
